

Replace Your Syringe Pump with Harvard Apparatus

The PHD Ultra™ and Elite Series pumps deliver smooth and accurate flow for pico to macro fluidic applications. A full line of accessories for our pumps is also available.

Our local sales representatives and technical services experts are available to help you select the best syringe pump for your requirements.

See reverse for local contact information.

 **Promotional Code: HAQ2R**
Offer Expires: June 30th, 2015

Return your old Harvard Apparatus or competitive syringe pump and receive **20% OFF** of a new Harvard Apparatus touch screen syringe pump.

The returned pump does not even need to function!

After years of loyal service, is it time to retire your old syringe pump?

Do you want the most precise syringe pump with the smoothest and most accurate flow available?

Update your syringe pump with our special promotion.

Choose from our world renowned PHD Ultra™ and Pump 11 Elite families of syringe pumps including:

- PHD Ultra™
- Pump 11 Elite
- Pump 11 Pico Plus Elite
- Pump 11 Elite Nanomite

Offer applies to the PHD Ultra™, Pump 11 Elite, Pump 11 Pico Plus Elite and Pump 11 Elite Nanomite touch screen models. Promotion **HAQ2R** must be indicated at the time of order. Exclusions may apply, please contact Technical Services or your local Harvard Apparatus Representative for restrictions.

See reverse for local contact information.

Pumps are for research only. Not for use on humans.
